Winter  
 2017-18

It's **FUN** here,  
 see you soon!

Out for a cruise...

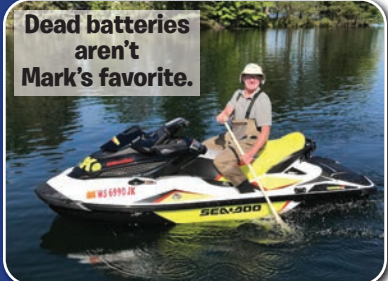

4th of July fun!

Looking forward to  
 the new work barge.

The new Aqua Patio  
 250 XP demo boat.

Dead batteries  
 aren't  
 Mark's favorite.

As the holidays approach, we would like to reflect back on the summer of 2017. Lots of fun was had on the lake, especially on the 4th of July... Mother Nature granted us great weather for that special holiday.

Coming up for 2018:

1. We are remodeling our shop, we will have a boat showroom as of January 1. Come and visit us to view 2018 models: Aqua Patio, Sweetwater and Harris pontoons.
2. A new and even better work barge.
3. ShoreStation hydraulic boat lifts better and faster than ever... come and see our display!
4. Test drive the Aqua Patio 250 XP with Yamaha 350hp (really fun!)
5. Anybody interested in buying or selling property? Please let Cathy know at 715-492-6557... her real estate experience will help you achieve your goals!

Once again, we are very appreciative of everyone's continued support of the marina and our staff. We are here to help create fond, fun memories at the lake. Count on our service for your relaxation and fun.

*Thank You and All the Best,  
 The Helm Family and the Round Lake Marina Crew*
